Mr. & Mrs. Blevins
6 Brackley Circle
Fairport, NY 14450

Dear Mr. & Mrs. Blevins,

In the 20 years since our community, Southern Hills, was developed, we have enjoyed a proud tradition of family oriented community, full of friendly neighbors, and with lots of children and pets enjoying each others company while respectful of each others properties. It is with this proud tradition in mind, that we, your neighbors, are so disappointed with your choice to install such a massive fence.

As you may have noticed, Southern Hills is largely void of fences. The ample yards and the beautiful rolling landscape create a lovely "park-like" setting that has come to identify Southern Hills. Any fences that have been installed are typically small and/or close-set to the house. Usually as small yards for pet safety. Of course, many others have chosen to use invisible fences for pet safety. The stark contrast created by your fence, however, creates a disruption to the Southern Hills identity. Especially a stockade fence, which creates isolation, and gives the impression that you don't wish to be a part of our community. This fence divides our once-beautiful open area in the dozens of back yards bordered by Cannock Drive, Kirkby Trail, Brackley Circle, Chenin Run and Chardonnay Drive.

Neighbors spoke with you as you were considering installing your fence, and shared the community view on fences. Still others felt strongly enough to create and sign a petition, which we have attached to this letter. In the spirit of maintaining the proud tradition of Southern Hills, we respectfully request that you remove this fence. If you are unwilling to consider this, please at least landscape around the fence to soften its stark appearance.

We hope you will view this note and petition in the manner it was intended, as candid and honest feedback from neighbors who care deeply about their community. Most of all, we are hopeful you will act on this feedback.

Sincerely,

Your Neighbors

cc: Jim Smith, Perinton Town Supervisor
